-----  
**Cut here and return to Village Hall**

Lake Grove announces the return of our Summer Program for children. Many residents have participated before and are aware of its success and popularity. Due to the physical limitations of our facilities and the need to offer a quality program in a safe environment, we will again be holding a lottery drawing in order to be fair to everyone. The fee this year is being increased due to the exorbitant costs involved. We must consider higher expenses for bus transportation, insurance, supplies and wages. In addition, the mandates set forth by New York State and the Suffolk County Dept. of Health requires us to properly comply with their guidelines.
